Hear the Voice of the  
Housing Industry  
LOUD & CLEAR

## JOIN US FOR HBA OF MISSOURI LEGISLATIVE DAY IN JEFFERSON CITY TUESDAY, FEBRUARY 23

This event is underwritten by our Associate Members so there is no cost to our Builder/Remodeler Members. Bus transportation and meals are provided.

We will depart in the morning from Springfield and spend the day at the Capitol talking with those who make the decisions that will affect your industry.

We took our largest group ever last year and it made a difference!

You helped us push through legislation to prevent cities/counties from immediately adopting residential codes requiring fire sprinklers in every home.

There is no evening reception this year so we should be returning somewhat earlier than in year's past.

**THERE ARE NEW CHALLENGES THIS YEAR - A PUSH FOR STATEWIDE ENERGY CODES AND PROPOSED NEW FEES/REAL ESTATE TRANSFER TAXES.**

MAKE SURE THE DECISION MAKERS HEAR YOUR VOICES!  
EMAIL [JENNIFER@SPRINGFIELDHBA.COM](mailto:JENNIFER@SPRINGFIELDHBA.COM)  
TO RESERVE YOUR SPOT ON THE BUS.
