innovate. inspire. create.

build OUTSIDE the box

ASSOCIATE MEMBERS:

- This "mini-trade show" is your opportunity to educate HBA member builders and remodelers about your most innovative and state-of-the-art supplies, technology and/or services which are sure to please future homeowners.
- Using your tabletop display, show them what's new and improved including:
  - -green and sustainable components/materials;
  - -designs and products for aging in place;
  - -the best of energy efficient technology in supplies, fixtures and appliances;
  - -the latest design trends, materials, and colors which will be in high demand in the future.
- Help HBA builder and remodelers understand what consumers will want. Show them the best ways to innovate, inspire and create -- how to "build outside the box"!
